"Cover them with beautiful flowers

Deck them with garlands those brothers of ours.

Lying so silent by night and by day

Sleeping the years of their manhood away.

Give them the meed they won in the past,

Give them the honors the future forecast;

Give them the chaplets they won in the strife;

Give them the laurels they lost with their life."

#### DEDICATION

The dedication of an annual is perhaps the greatest honor that a student body can confer. The person selected is held high in the mind of each and every student and deserving of the highest griticate and idmiration. It is only proper then, that we, the students of Pomona Catholic Boys. High dedicate our first around to the one personality who has been first and foremost in the guidance and development of our school. That person is none other than our principal, the Very Reverend Frederick Furey.

In the gray beginnings Father Parcy was given a handful of condemned ballings, a strict budget, and the Cardinal's blessing to create in a few short months a working, efficient establishment of education. To many this would have been an insurmountable task, but for Father Purcy and his undying entails instituted a building program and a plan of action which he hoped would eventually lead to a well equipped educational plant which would prepare "the citiziens of tomorrow".

For chancinge of building men from boys wasn't an easy one and it presented many obstacles, but for Father Furey, who gave so generously and unselfishly of his time and effort, each difficulty was met and surmounted.

To tay, as our first graduation approaches, Father Furey's dream is becoming a reality and it is at this time that we salute him for a job well ione and a charlenge well met.

#### SPARTAN WRESTLING SEASON 1962-63

Wrestling, a new sport on the Spartan campus seems to have a bright future if the turnout and spirit of the team continues as it has the past two seasons. The boys traveled around to various schools and met other wrestling squads. They had a very fine season with a 7-4 record, compared to a 5-4 last season. This sport enables the participants to not only maintain almost perfect physical condition but to learn how to take care of themselves, in style.
